You're Invited!

Woodland Job Corps Center

Woodland Job Corps Center
3300 Fort Meade Rd
Laurel, MD 20724

Job Corps is now accepting applications for new enrollment!

Dear Community Partners,

If you have clients who are out of school, may not be ready to start college after high school graduation, or are struggling in the traditional high school environment, Job Corps may be the solution. Job Corps is a career training and education program for students ages 16 through 24. It is designed to help students find the path to personal and career success – all at no cost to eligible students.

Hands-on training is offered in more than 100 career areas, including culinary arts, electrical, facilities maintenance, and many more. Opportunities are provided for high school graduates to continue their education at the college level. For those who haven't graduated from high school, Job Corps helps students earn a high school diploma or GED.

At Job Corps, students learn the skills needed to become independent, successful professionals. While enrolled in the program, students receive housing, meals, basic medical care, and a living allowance.

Please Join Us

for an

Open House

at

Woodland Job Corps
